

# Voluntary Stewardship Program Work Group Meeting

March 23, 2017

# Agenda

- Welcome and Purpose of Meeting
- Follow-up from February Workshop
- Work Plan (Volume One) Review
- Discussion
- Next Steps: Continue Work Plan Discussion

# Work Plan Overview

- Two volume approach
- Work Plan Volume 1 (e-mailed for Work Group review on March 20)
  - Easy to read
  - Focused on the end-user
  - Avoid tech-talk
  - Avoid being too directive/keep options open for producers
  - Includes information/input from Work Group

## Franklin County Voluntary Stewardship Program

Draft Work Plan  
March 2017

Prepared for the Franklin Conservation District and the  
Washington State Conservation Commission

# Work Plan Overview

- Work Plan Volume 2: Technical Appendices
  - Appendix A – 2011 Existing Conditions Summary
  - Appendix B – Goals, Benchmarks, and Measurements
  - Appendix C – Analysis Unit Profiles
  - Appendix D – Outreach and Implementation Plan
  - Appendix E – Existing Plans and Regulations
- Opportunity exists still to move content between Volumes 1 and 2

# Follow-up from February Workshop

# 2/23 Workshop Takeaways

- CPPE with direct connection to physical locations
- Calculating direct and indirect critical areas effects
- What does implementation and monitoring look like
- How to account for discontinuation of practices

# Work Plan Review
